

FEATURED EMPLOYER

ABOUT PINKERTON

For many, Pinkerton is a company that answers a calling. A calling to serve and protect others, no matter what. With this unified sense of purpose, our global force of Pinkerton agents and support functions band together and become something more than colleagues—they become a family. No matter how far they are spread apart, Pinkertons are bonded together by their shared calling and their commitment to integrity, vigilance, and excellence.

JOBS AT PINKERTON

LEAD AGENT

Seattle, WA
The Lead Agent will perform a variety of assignments including concierge-level, residential, or event security, response services, basic driving, and investigations and oversee other Agents allocated to the assignment.

INTELLIGENCE ANALYST

Las Vegas, NV
The Intelligence Analyst, assigned to one of Pinkerton's enterprise clients, will monitor open-source intelligence (OSINT) software and various OSINT sources to proactively identify risks to company's facilities, traveling employees, and vehicle fleets. The Analyst plays a pivotal role in enhancing the client's overall security measures by conducting research, proactively identifying threats, contributing to the development of robust risk management procedures, and assisting with incident management. This role is encouraged to recommend and work towards continuous improvement and proactive measures to uphold the client's commitment to safety.

AGENT

Seattle, WA
The Agent will perform a variety of assignments including concierge-level, residential, or event security, response services, basic driving, and investigations.

GSOC ANALYST

San Mateo, CA
The Global Security Operations Center Analyst, assigned to one of Pinkerton's largest global clients, conducts in-depth research, open-source analysis, and social media review to monitor threats that may impact the safety and wellbeing of the client's executives, operations, and/or assets. The Analyst will vet potential and/or actual crisis response activations, as well as provide analysis on intelligence gathered.

FACILITY RISK COORDINATOR

Washington D.C.
The Facility Risk Coordinator will manage on-site physical security, develop and execute security post orders, manage employee performance, and liaise between the client and Pinkerton Management.

EXECUTIVE PROTECTION AGENT

New York, NY
The Executive Protection Agent will provide for the welfare, physical protection, and security of a high-profile client by performing armed and/or unarmed executive protection assignments.

HIRE HEROES USA DIRECT PLACEMENT ROLES

CDL DRIVER

Nashville, TN
Seeking a CDL Class A Driver to join a premier distributor of mattresses. The ideal candidate will hold a valid Class A CDL and at least one year of experience and the ability to drive a manual transmission.

CITRIX ENGINEER

Miami, FL | Hybrid
As the Citrix Engineer, the individual will maintain and manage Citrix applications. The administrator will also install and update Citrix farms, design and plan Citrix NetScaler environments and develop the cloud infrastructure that the Citrix farms run on. In this role, the Citrix Engineer will provide technical support for incident response, service degradations, outages, and other interruptions. In addition, the Citrix Engineer will provide tiers I, II and III support to Citrix XenDesktop (VDI) environments including configuring, troubleshooting, and resolving issues in both Citrix PVS and Windows Server environments while investigating hardware and software problems related to the Citrix infrastructure and perform corrective actions.

CDL DRIVER

Phoenix, AZ
Seeking a CDL Class A Driver to join a premier distributor of mattresses. The ideal candidate will hold a valid Class A CDL and at least one year of experience and the ability to drive a manual transmission.

SENIOR SYSTEMS ADMINISTRATOR

Quantico, VA
As a Senior Systems Administrator, the individual will be responsible for configuring, maintaining, and operating computer systems and servers. In this role, the Systems Administrator will install hardware and software and participate in research and development. In addition, the individual must work proactively to perform the duties necessary to mitigate the disruption of services, by responding to outages and promptly resolving problems.

CDL DRIVER

Oklahoma City, OK
Seeking a CDL Class A Driver to join a premier distributor of mattresses. The ideal candidate will hold a valid Class A CDL and at least one year of experience and the ability to drive a manual transmission.

FEATURED TRAINING PARTNERS

INTUIT

Intuit

Intuit is proud to support military veterans and their spouses. Our Intuit Military and Veteran Initiative aims to empower military families through community, jobs, and financial growth. We're hiring tax experts and offer a no-experience-to-hire pathway through the Intuit Academy, with free online tax courses and exams to enhance your skills and qualify you for a role at TurboTax Live. Earn your Tax Level 1 badge and complete the Tax Preparer Program to waive the 2-year paid tax experience requirement for a TurboTax Live role. Enroll for the Intuit Academy to get started [here](#). HOCK international, LLC.

HOCK international is committed to empowering individuals with the tools they need to excel in their accounting and finance careers. Whether you are embarking on a new journey in accounting or seeking to elevate your existing career, they provide a comprehensive study program for the Financial and Managerial Accounting Associate (FMAA) certification. FMAA is designed to equip you with the foundational knowledge and skills necessary to jumpstart your career in accounting or finance.

Tax professionals in the United States are always in demand and the Enrolled Agent (EA) certifications provide immediate employment prospects in tax. Issued by the IRS, EA certification allows the EA to represent taxpayers before the IRS.

HOCK international's offerings also extend far beyond entry-level certifications. They also cater to professionals seeking to elevate their careers with advanced certifications such as the Certified Management Accountant (CMA), Certified Internal Auditor (CIA), Chartered Financial Analyst (CFA), and others. No matter where you currently stand in your career path, HOCK international has the resources to help you gain the knowledge and expertise needed to take your career to the next level.

Achievable

Achievable, Inc.

The finance industry is known for being an exciting, challenging career path where you can make a lot of money if you're good at it. FINRA certifications license securities industry professionals for the majority of customer-facing and back-office tasks, including sales (wealth manager and financial advisor), financial analysis (analyst), compliance, and other roles. The FINRA Securities Industry Essentials (SIE) Exam is an entry-level exam that you can take before applying to jobs to pre-qualify yourself for licensing.

Achievable's FINRA SIE course was rated #1 by multiple industry publications, and includes our easy-to-read online textbook, video explanations, thousands of review questions, and full-length practice exam sections.

You can try it for free before you buy it, and access a discount for Hire Heroes USA members. [Sign up for a FINRA SIE exam account](#).
